Suffolk County Council

An application to deposit a maps and statement under section 15A(1) of the Commons Act 2006 has been made in relation to the land described below and shown edged red on the accompanying map.

PLEASE NOTE:

This deposit may affect rights over the land described below. Deposits made under section 15A(1) of the Commons Act 2006 may affect the ability to register such land as a town or village green under section 15 of that Act. Briefly, the deposit constitutes a mechanism whereby a landowner may bring to an end any period during which the public has indulged as of right in lawful sports and pastimes on the land, thus making it more difficult if not impossible for anyone to claim successfully that the land has become a village green. Existing registered village greens are not affected. There is no facility for anyone to object to this procedure. Please see guidance at <https://www.gov.uk/town-and-village-greens-how-to-register> for further information.

Description of the land(s) (including full address and postcode):

Thorington Hall, Stoke by Nayland, Colchester, CO6 4SS

Name of the Parish, Ward or District in which the land(s) is situated:

Stoke By Nayland.

The deposit was submitted by Eloise Balcombe on behalf of the National Trust and was received by this authority on 12th March 2024.
